

SPECIALISTS WITH HISTORY

Since 1994, Rossi Camilion & Asociados Law Firm has provided legal advice to national and foreign companies.

We offer a wide range of practice areas focused on advising **foreign** companies with commercial interests in Argentina.

EXPERIENCE AND INNOVATION

We provide counsel to main foreign companies in our country as well as to major local companies.

Our professional team offers a balanced combination of **expertise and cutting-edge technology**, which adds the necessary value to facilitate our clients to develop their business, projects and initiatives.

WITH CLIENTS

We work closely with our clients, accompanying their business objectives and generating solutions to competitive challenges required by **the new** national and international scenarios.

We carry out active follow-up of entrusted matters by means of a report developed and customized for each client.
